High Speed HDMI® Cables with Ethernet

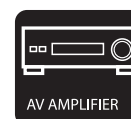

HDMI plug to HDMI plug

Product Description

Connect your Blu-Ray player, Cable/Satellite receiver or other HD AV device to an LCD/Plasma TV or compatible device. Precision engineered for the latest generation of HD devices.

Features & Benefits

- **High Speed HDMI® Cable with Ethernet - HDMI® certified**
- 3DTV compatible (stereo 1080p image resolution)
- Ethernet channel for connecting Internet-enabled AV devices minimising cabling
- Audio Return Channel eliminates need for additional audio cable between TV with integrated receiver and Amplifier
- Supports 4k x 2k image resolutions (2160p) and FULL HD (1080p) compatible
- x.v. Colour profile support for digital cameras and camcorders
- Exact cable geometry delivers high speed data transfer rates
- 24K hard gold-plated contacts for superior signal transfer and durability
- 26AWG silver-plated PCOFC oxygen free conductors for the best signal transfer
- Multiple layers of tinned PCOFC braiding and aluminium foil shielding for the best protection against external electromagnetic (EMI) and radio (RFI) interference
- Twin RFI filters further enhance noise rejection for the best AV performance
- Chrome and gunmetal-plated zinc headshell for the best durability and protection from external interference
- PVC outer jacket with outer nylon mesh for enhanced durability and aesthetics
- Nitrogen-injected Foamed PE dielectric for the best AV performance
